

MEET THE FOUNDER

Tamara Thomas

Designer | Creative Entrepreneur | Founder

Growing up in Pleasant Grove, I learned to see beauty in everyday things. Long before design became a business, I was rearranging rooms, working with fabrics and color, and finding creative ways to make ordinary spaces feel special.

By my teenage years, I was organizing school celebrations and baby showers. In my twenties, my love for beautiful rooms grew into weddings, events, and increasingly ambitious design projects. Creativity has always been part of who I am.

Today, through **Embellish Spaces Designs**, I bring that same passion to interior design and styling. My goal is to create spaces that reflect each client's personality while balancing bold character, thoughtful details, and everyday function.

Whether it's a room refresh, a complete transformation, or a virtual design experience, I believe a well-designed space should feel unmistakably yours.

Today we'd like to introduce you to Tamara Thomas.

Hi Tamara, it's an honor to have you on the platform. Thanks for taking the time to share your story with us - to start maybe you can share some of your backstories with our readers.

Growing up in Pleasant Grove with a single parent, Grandmother, and Aunt some days not knowing what the following day would bring I was always dreaming of what my adult life could be like.

Things didn't entirely go as intended, but they aren't what society deemed them to be either. I've always admired beautiful things, flowers, bows, lace, paint, fabric, glitter, etc... I started making our house beautiful with whatever I could find. So, it was no surprise that by my teenage years, I'd be organizing High School homecoming parties and baby showers at the school. By my twenties, I had numerous room designs, and fancy birthday parties under my belt and was now walking into creating beautiful weddings and various events in 2000.

I enjoy saying decor on any level is in my DNA.
Making things come together on a budget is my specialty.
If you want your home organized & decorated, I can do it
If you want a gorgeous wedding, I can do that

Beautiful spaces. Thoughtful details. A reflection of you.
